DO YOU STILL HAVE QUESTIONS ABOUT MIA?

What is MIA?

MIA is the electronic season ticket for bus and rail.
MIA stands for **MOBIL IM ABO**(mobile season ticket).

How much does MIA cost?

MIA is available in fare variants MIA and MIAplus.
You will find all of the fare details in this brochure.

How do I pay for MIA?

A MIA season ticket has a term of 12 months and is deducted monthly from your account by means of a DIRECT debit. Alternatively, you can pay for all 12 months in advance.

How does MIA work?

Climb aboard, swipe, get going - you don't have to do anything else.
Your season ticket is securely saved on the electronic chip and can be read on the spot during a ticket inspection.

What data does MIA save?

The chip only saves your fare option (which can be seen on the terminal at any time), is secure against forgery and does not contain any personal data.

What happens if I lose my MIA?

No misuse is possible if you lose the card. You can block your MIA Ticket immediately and receive a new MIA Ticket (in return for a fee of €10.00).

Is MIA transferable?

Yes. Your family members or friends can also travel with MIA.

You can also find information about MIA on the internet:

MIA
MOBIL IM ABO

Updated 11/2018 Subject to corrections and changes

COME ON, RIDE WITH MIA!

MIA stands for **MOBIL IM ABO** (mobile season ticket) and is the modern, electronic season ticket for bus and rail. With MIA, you can travel for 12 months. You can travel without any cares, saving money while you do so. In comparison to twelve monthly tickets in price level I (Bremen), you save €135.60 a year with MIA.

MIA - It Couldn't Be Any Easier: simply get on board, scan and get going. Your season ticket is saved in the electronic chip. You don't need to bother about monthly vouchers or checking in on terminals.

MIA IS AVAILABLE IN 2 FARE VERSIONS

MIAplus costs only €6.50 more than MIA per month, but offers you so much more:

- Mondays to Fridays from 7pm and on Saturdays, Sundays and public holidays, one additional adult and up to four children aged between 6 and 14 can also travel.
- On Saturdays, Sundays and public holidays, you (and the people with you in line with the regulations) can travel free of charge in the whole VBN area.
- The night routes operating under VBN fares can be used without the supplement and the "Nachteule Ammerland" can be used free of charge (also applies to the people with you in line with the regulations).

With the yellow MIA Ticket, you are one of our premium customers. All of the details and everything that you need to know, as well as the form to apply for the ticket, can be found in this brochure. **Bon voyage!**

4. Termination

The contract will be extended by a further 12 months if it is not terminated. Termination or a change to bank details must be submitted in writing to the company in charge by the 10th day of the previous month. The MIA/MIAplus Ticket must be returned to the issuing transport company (BSAG, BREMERHAVEN BUS or VWG) once the contract ends and is no longer a valid ticket after the end of the contract.

In the event of an early end to the contract the difference between the monthly price of the MIA/MIAplus Ticket and the price of the corresponding monthly ticket will be subsequently collected and debited for the last time - with the exception of fare increases and where there are considerable changes to the fare regulations and terms of carriage. If the early termination is due to a fare adjustment, the difference will not be collected if the termination is submitted to the transport company in charge by the 10th day of the month before the fare adjustment is implemented.

5. Loss/Fault/Blocking Your Card

Loss of, or a fault to, your MIA/MIAplus Ticket must be reported immediately directly or by telephone to the BSAG, BREMERHAVEN BUS or VWG Customer Centres or by telephone to the VBN Service Information on 0421/596059. When the loss/fault is reported, the electronic ticket is blocked and is no longer valid. The customer will receive a new MIA/MIAplus Ticket in his or her local Customer Centre which is valid immediately. A processing fee of €10.00 is charged for this, which is debited with the next direct debit from the customer's account, unless the passenger proves that the processing costs were not incurred at all or only at a much lower level. Customers who cannot come to a Customer Centre will receive a new chip card in the post, usually within 5 working days. The customer does not have a valid ticket until he or she has received the replacement chip card. The faulty ticket must be handed in.

6. Miscellaneous

No compensation will be granted for unused periods of the MIA/MIAplus Ticket. If the monthly sum could not be debited, an additional processing fee in the amount of €4.00 is charged for each unsuccessful direct debit in addition to the standard bank charges. In the event of late payment, VBN or the transport company in charge may terminate the contractual relationship without notice and transfer further processing to a collection agency. The MIA/MIAplus Ticket is blocked on the day of termination. From this time, the customer no longer has a valid ticket. Changes to your name, bank details or address must be notified in writing by post or in the Customer Centre. Changes that are submitted by the 10th day of a month will become effective at the start of the next month. If an address inquiry has to be made to the residents' registration office due to a change of address, the customer shall bear the costs.

7. Extraordinary Termination of the MIA Ticket in the Event of the Holder's Death

Upon notification of the death of the MIA/MIAplus Ticket holder, the contract shall end and the chip card is blocked.

Furthermore, the fare regulations and conditions of carriage of the Verkehrsverbund Bremen/Niedersachsen apply.

Direct Debit Mandate:

VBN has commissioned Bremer Straßenbahn AG (BSAG), among others, to process the MIA/MIAplus Ticket. I authorise BSAG until further notice, but at least for a term of 12 months from the season ticket start entered in the application header, to collect the fares for the MIA/MIAplus Ticket monthly in advance from the current account named by means of a direct debit. This authorisation includes the increase or reduction of the monthly instalments if the area of application or fares change. It also applies if I notify of a change of account. I will submit complaints and amendments directly to you. I am aware that the season ticket fare only apply if the contract for the MIA/MIAplus Ticket remains in place for a continuous period of 12 months. In the event of early termination in the current contractual year, I authorise BSAG to collect the amounts due from the account named according to the terms.

I hereby authorise BSAG to collect payments from my account by direct debit. At the same time, I instruct my bank to honour payments from my account to BSAG by direct debit.

Note: I can request repayment of the debited amount within eight weeks, starting with the debit date. The conditions agreed with my bank shall apply.

At least two days before the first direct debit, BSAG will inform me of the debit. BSAG will also inform me when the amount collected or the time of collection changes. In the event of a small increase in the amount of up to and including €10 (for example the processing fee for issuing a new MIA/MIAplus Ticket), the customer will not receive any separate advance information about the higher direct debit.

GENERAL TERMS AND CONDITIONS FOR THE MIA/MIAplus TICKET

1. General

The MIA/MIAplus Ticket is an electronic season ticket. The MIA Ticket is issued in two versions, as a MIA Ticket and MIAplus Ticket. The contract for the MIA/MIAplus Ticket has a minimum term of 12 months. The ticket is issued as a chip card. All of the required ticket data (no personal data) is stored electronically on the chip on the MIA/MIAplus Ticket.

The transport companies Bremer Straßenbahn AG (BSAG), Bremerhavener Versorgungs- und Verkehrsgesellschaft mbH (BREMERHAVEN BUS) and Verkehr und Wasser GmbH (VWG Oldenburg) are in charge of processing the MIA/MIAplus Ticket. The necessary data is stored by the company from which the customer bought his or her MIA/MIAplus Ticket. The customer receives the relevant chip card either directly in the Customer Centres of the relevant company or by post. If VBN is authorised by a form designed for this purpose it will debit the fare from the customer's current account on the first working day of the month in advance until further notice, but at least for a term of 12 months.

2. Ordering a MIA/MIAplus Ticket

When registering for a MIA/MIAplus Ticket, the customer agrees that he or she will use the pan-European SEPA direct debit method for payment. The customer will receive advance information required for this regarding the amount invoiced, payment date, payer's IBAN, creditor ID and mandate reference by e-mail or letter at least 2 days before the first monthly instalment is debited. In the event of a small increase in the amount of up to and including €10 (for example the processing fee for issuing a new MIA/MIAplus Ticket), the customer will not receive any separate advance information about the higher direct debit.

Order requests for the MIA/MIAplus Ticket are available from the three transport companies in charge, which also accept the completed forms, as well as online at www.vbn.de. It is also possible to send the completed forms by post to the BSAG, BREMERHAVEN BUS or VWG transport companies.

Participation is possible as of the first day of a month if the direct debit mandate has been submitted to BSAG, BREMERHAVEN BUS or VWG by the 10th day of the preceding month.

The MIA/MIAplus Ticket can be issued retrospectively to the first day of the month for a cash payment and issued immediately in the BSAG, BREMERHAVEN BUS and VWG Customer Centres. The contract term is 12 months.

3. Changing the Area of Application

It is possible to change from the MIA Ticket to the MIAplus Ticket or vice versa once during the 12 month term of the contract. A change to the area of validity (fare zones, price levels) is possible from the first day of any calendar month in any of the Customer Centres of the company with which you are a customer. A change of this kind must be applied for by the 20th day of the preceding month. The change is made in the Customer Centre directly on the chip card. Customers who cannot come to a Customer Centre will receive a new chip card in the post, usually within 5 working days. The new debit amount is collected from the time of the change.
